

5. What do you personally worry about? What do you think may be some of your challenges during the Thames Walk Excursion?

6. Our trip does not allow for substance use (no smoking, drugs, alcohol etc.). Is this something you can abide by? Do you have any history of substance use? If yes, please provide us with more information about your history and your relationship to substances now.

7. Recommendation: Please provide us with the name and contact phone number of an adult who knows you well (outside of your family) and who can talk about your ability to interact in a group setting. Please include the name, phone and email and tell us how they know you.

8. Optional. We want to get to know you and what makes you unique. This is an opportunity for you to creatively share something about you and how you spend your time. This could be a video you share with us (limited to under 5 minutes), photography or slideshow, Journal or writing, art, craftwork or anything you feel would be interesting to share.

Optional Parent/Guardian Comment - if you have anything to add about your child that would be helpful to his/her application please feel free to include it.

(Send answers along on a separate document and send them in with this form!)

An interview is required for all applicants being considered for the Thames Path Excursion. After receipt of your application we will contact you to schedule an interview.
